Vibraloc Software Basic

This software package includes two programs

- Vibraloc PC
- Vibraloc Event Presentation

Installation

To install Vibraloc Software Basic on your PC, insert the CD and follow the instructions on the screen.

If the installation program does not start automatically you need to use Windows Explorer to locate the **SetupVibSWBasic.exe** file on the CD and then double click on the file.

The installation program will install both programs.

Getting started

See the included User's Manuals for information about how to use the programs.
